# *Welcome to Europe!*

Comfortably nestled in rural Gangelt-Niederbusch is a fully furnished, large detached home ready to exceed your need for temporary lodging. Just minutes away from NATO E3A AWACS Air Base and Joint Force Command Headquarters, Brunssum, The Netherlands, this home has all the comforts you are looking for. Your family will feel right at home in this spacious accommodation consisting of three bedrooms, bathroom, living and dining areas, fully furnished and fitted kitchen, basement laundry room with washer and dryer, terrace, garden, and garaged private parking. The Stay Inn also features television and video recorder, with SKY digital satellite service. Finally, weekly maid service will ensure your stay is comfortable. Gangelt-Niederbusch is a quiet rural German village that offers ample nature walks along paths in the forest and fields, has horse-back riding stables and a very popular children's playground. The setting for the Stay Inn is particularly safe, quiet and tranquil. For the same price as a hotel room, you get the full advantage of a spacious family home in a rural setting overflowing with comfort. The Stay Inn is privately owned and operated by a family with experience in the business of providing comfortable temporary quarters since 1994.
